### ABOUT OMNIS INVESTMENTS

Omnis Investments Limited is wholly owned by Openwork Holdings Limited, bringing established specialist providers together to create a tailored investment solution. It is focused on delivering maximum returns to investors for well-defined levels of risk via a series of funds.

Veritas Asset Management is a London based, independently managed investment boutique specialising in global and Asian equities. The partnership was established in 2003 and now runs approximately \$22bn (as at 30th June 2018) in both global and Asian equities. The key element of our philosophy is to deliver long term real returns for our clients. We believe in a genuine partnership within the firm and with our clients. We have a team of experienced analysts based in Hong Kong and we are delighted to have the opportunity to work with Omnis.

The fund will invest in a focused portfolio of industry leading companies in the Asia Pacific ex Japan region. We seek to achieve above benchmark returns over rolling five year periods through the combination of a top down thematic approach and bottom up fundamental research. We aim to identify and invest in companies that have strong and durable competitiveness.

We believe there are significant opportunities in Asia over the longer term in domestic consumption, healthcare, technology and environmental protection. The fund will be generally focused on picking quality companies in these sectors and investing in them when the valuation is right.
